HALAL CERTIFICATE HOLDER

Dear Sir/Mdm

### **IMPLEMENTATION OF MUIS EHALAL SYSTEM ON 1<sup>ST</sup> AUGUST 2006**

In a bid to facilitate the processing of Halal certification application, the Islamic Religious Council of Singapore (Muis) Halal Certification Strategic Unit, is introducing the **Muis eHalal System (MeS)**. This internet-based system provides convenience to its users and improves the application processing time. Amongst the features of MeS include:

- i. Online application (new, renewal, additional)
- ii. Email notification for application shortcomings, certificate collection, etc
- iii. Automated acknowledgement slip for application and payment received
- iv. Real-time information on the application status
- v. e-Payment services

2 The MeS will be implemented on 1<sup>st</sup> August 2006 for ALL new and renewal applications. Other forms of submissions will not be accepted.

3 A series of eHalal training programmes have been scheduled for all existing certificate holders. We will be issuing a notification on details of the training session about three (3) months before the expiry date of your Halal certificate. You are strongly urged to attend the training session as it equips you with the necessary knowledge on how to use the eHalal system.

4 For further enquiries, please contact us at tel: 6342 3596 or email: [feedback@muis.gov.sg](mailto:feedback@muis.gov.sg).

5. We look forward to your participation.

Yours faithfully
