

Halal Team Structure

for Product, Whole Plant, Storage Facility & Poultry Abattoir Schemes

A What is Halal team?

A group of appointed personnel responsible for implementing, monitoring and maintaining the Halal system, as well as ensuring that all requirements have been met in accordance with Muis Halal Certification Conditions (HCC).

B Who are the Halal team members?

The Halal team shall comprise management-appointed **Halal Team Leader, Muslim Representative and members from multi-disciplinary background**, who possess relevant knowledge and expertise.

C Declaration of your Halal team

Establishing a Halal team is one of the requirements for the Singapore Muis Halal Certification. It forms **Principle 1 of the Singapore Muis Halal Quality Management System (HalMQ)**, which has to be implemented by all Halal-certified companies in Singapore. The team structure shown below is an example for your declaration.

Product, Whole Plant, Storage Facility & Poultry Abattoir

*Only required if Halal Team Leader and Procurement / Sourcing Personnel are non-Muslims.

Pursuant to Clause 3.10, those in the grey boxes are required to be deemed as competent and have completed the Halal training.

Halal Team Structure

for Product, Whole Plant, Storage Facility & Poultry Abattoir Schemes

HALAL TEAM MEMBER

- Provide assistance in ensuring compliance of the Muis Halal Certification Conditions
- Provide assistance for the certification processing and maintenance
- Provide inputs for continuous improvement for the implemented maintenance and traceability systems
