

# HALAL CERTIFICATION ASSESSMENT (HCA) IN A NUTSHELL

## WHAT IS HALAL COMPETENCY ASSESSMENT (HCA)?

HCA is an assessment to recognise individuals' Halal competency as part of the requirement for Muis Halal Certification.

The HCA will **replace the assessment portion** of the previous **Halal Foundation Programme (HFP)** and current **Halal Certification Training (Foundational Level)**.

Upon passing the HCA, the individual will be awarded with a HCA certificate. The HCA certificate will only be valid for 5 years.

## WHAT IS ASSESSMENT-ONLY PATHWAY (AOP)?

A new Assessment-Only Pathway (AOP) will also be made available for individuals who are already well-informed on the Halal basics and principles.

The AOP will allow individuals to be recognised as Halal-competent **without undergoing the full training course**.
